Final Report

ONR Grant Number: N00014-94-1-0747

Title: Logistics Support for the Arabian Sea Expedition

P.I.: Hugh D. Livingston, Woods Hole Oceanographic Institution

Award Period: 5/1/94 to 9/30/96

The funds provided under this grant were used to cover all aspects of the necessary logistics required for ONR P.I.'s to participate in the several ONR cruises in the Arabian Sea out of Oman from October 1994 until January 1996. In all, seven cruises were carried out in the ONR program, covering survey and mooring deployment cruises and the SeaSoar cruises conducted in cooperation with the Naval Research Laboratory. 15 different groups were funded by ONR to participate in this project.

The logistics coordination at Woods Hole was carried out by Susan Kadar and Martin Bowen, with shore-based support from Mary Zawoysky in the U.S. JGOFS Planning and Implementation Office. They arranged all travel for the cruise participants, hotel and local support in Oman, and all surface and air shipments from the U.S. to Muscat, Oman.

Many expressions of thanks to Susan and Martin were forthcoming at the completion of the field program and the logistics support was a very important underpinning to the final success of the field program. Several meetings have already been held in 1996 at which the early scientific results of the program have been presented.

Sincerely,

Dr. Hugh D. Livingston
